Rochester's Raising Fall Funds

Town's Local Fundraisers are a Sure Sign of Autumn

Having been hit with a few days of brisk, chilly fall weather this past week, many residents in the tri-town area are preparing to "batten down the hatches" as Old Man Winter makes his way toward the New England coast. Although the area seems to go into a temporary state of hibernation during the winter months — mainly due to the departure of summer residents — there is still much to enjoy in and around the towns of Mattapoisett, Marion and Rochester.

Not least among these will be the stunning explosion of colors as the fall foliage begins to bloom. Traveling through the winding back roads of Rochester is one of the best ways to enjoy this oft-forgotten benefit of living in a small, rural community.

In addition, the town is also gearing up for some of its popular fundraising efforts to benefit local church and school groups. Now that both are in full swing, there's no better time than the present to bring residents together to help out in this task.

The summer-dormant Friends for Fun is now kickstarting plans to complete Phase II of the newly-installed playground facility at the town's Gifford Park. Having run the very successful Muffin Drop Contest in June, the group is now looking to raise some additional monies to finish off the second portion of the project.

"We basically took the summer off and are now ready to work toward completing Phase II," said Friends for Fun member Linda Towers. "We hope that the community will continue to be as supportive of our efforts as they have been in the past."

Phase II of the playground project will cost an approximated $5,000 to complete, according to Ms. Towers, and will include the installation of a challenge ladder, tire swing, regular swings, balance beam, and two spring riders at the site — along with improvements to the existing basketball court and some general landscaping and ground work. Thanks to the generosity of the students and staff at Old Colony Regional Vocational Technical High School, wooden benches have also been made and donated to the group to be installed at the park.

The group's first major fundraiser for the fall is their second annual Charity Golf Tournament to be held on Saturday, October 2 at the Rochester Golf Club. For a donated entry fee of $40, participants can enjoy 18 holes of golf, lunch, a steak dinner, and prizes to be awarded to tournament winners. Those interested in attending the dinner only may do so for a $10 donation. All proceeds from the tournament will be used toward the purchase of equipment for Phase II of the playground. Interested participants should contact either Rick Amicucci (763-2130) or Bill Towers (763-9092) by Monday, September 27. Initial tee-off time will be 10:00 am, and participants will be given separate times upon registering.

Ms. Towers also noted that another Benefit Dance for the Friends for Fun will be held on Friday, November 12 at the Highlander in Acushnet. This event was quite popular last year, and those interested in attending should look forward to further details in the weeks ahead.

Most of the equipment for Phase II has already been ordered, Ms. Towers said, and it should all be delivered by the end of October. As always, a volunteer group like the Friends for Fun could use help. If you are interested in assisting by becoming a member, please contact Linda Towers at 763-9092.

From outdoor activity and physical fitness, we move to self-indulgence and guilty pleasures with the third annual Chocolate Festival sponsored by the "Old" North Rochester Congregational Church. This popular fundraiser will be held at the Rochester Grange Hall on Saturday, September 25 from 9:00 am to 3:00 pm — or until all the treats are gone!

Although the event is popular for its homemade fudge, there will also be many other enticing forms of chocolate available for purchase and sinful sampling. Cakes, cookies, cheesecake, brownies, hand-dipped fresh fruit, cup cakes, whoopie pies, pies, and non-chocolate seasonal

---

On the cover: *Rochester's First Congregational Church near Town Hall on Rounseville Road during a brisk, pre-fall afternoon. Some of the smaller trees in and around the tri-town area have already begun to shed their leaves in preparation for the oncoming winter season.*

specialties including pumpkins, apples and mums will all be on hand at the festival.

This special annual event is held to benefit the "Old" North's building fund, allowing for expansion to include Sunday school rooms, rest rooms, wheelchair access, and eventually a kitchen at the church's newly-renovated site on North Avenue.

Last May the church — which was in need of repair and a new foundation — was finally placed atop its newly-built cellar function facility named Trinity Hall. The ongoing renovations and refurbishments on the over 150-year-old building were started at the impetus of the congregation, which was responsible for reopening the historic parish in 1990. Now through fundraisers like the Chocolate Festival, the landmark church can be restored and preserved.

Although in past years the festival has been held at the church itself, due to renovation and expansion work now in progress, this year it will be held at the Grange Hall on Hartley Road. For further information on this event and other fundraising efforts at the church, please call Judith Gurney at 748-3036.

Mattapoisett Selectmen's Meeting

September 21, 1993

A regular meeting of the Mattapoisett Board of Selectmen was convened on Tuesday evening, September 21 at 7:00 pm by Chairman John N. DeCosta. Also present were Selectman Paul E. Lambalot and Secretary Melody Mills. Neither Selectman Daniel O. Mahoney nor Executive Secretary Carol Adams were not present for the meeting.

After approving the minutes of the September 14 meeting, the board also approved the minutes of a special meeting held on Friday, September 17 and Chairman DeCosta noted that the meeting was called to discuss both the purchase of software for the Water/Sewer Department and to set new dates for the upcoming Special Town Meeting and Special Election.

Upon approval from the board at the special meeting,

Mr. DeCosta, as Chief Procurement Officer, also granted permission for the Water/Sewer Department to purchase software from Business Automation of West Springfield in the amount of $4,545. The Board of Selectmen also rescinded their previous vote to hold a Special Town Meeting and Election in October and reset the dates as Monday, November 1 for the Special Town Meeting and Tuesday, November 2 for the Special Election.

"We wanted to allow us enough time to get our final Free Cash figures from the Department of Revenue," Chairman DeCosta said.

Chairman DeCosta next noted the following outgoing correspondence for the week:

• Letter acknowledging the resignation last week of Kerry A. Shortle as chairwoman of the Board of Appeals and thanking her for her service to the town.

• Letter to Kevin Paulson who also resigned as a member of the Police Department last week. The board thanked him for his service and noted that he decided to extend a leave of absence and not return to his former position.

• Letter to Lawrence S. DiCara relative to property

located on Creek Street. A few weeks ago, Mr. DiCara asked the board about the property which was destroyed in Hurricane Bob. The owners have been granted approval from the Board of Appeals and are making arrangements to have the structure razed.

The board then approved a request from ComGas to obstruct and disturb the surface of Freeman Street from the intersection of Beacon Street, southerly, in order to extend the line 170 feet and provide new service to 4 Beacon Street and 7 Freeman Street.

Chairman DeCosta noted that the library will be holding an American Disabilities Act (ADA) meeting on Thursday, September 23 at 4:00 pm in Village Court.

Under incoming correspondence for the week, the board considered the following matters:

• Lieutenant James Santos submitted a letter to the board notifying them of his plan to retire from the Mattapoisett Police Department, effective October 2 at midnight. Lt. Santos said his reasons for retiring are personal, and it will allow him to spend time with his family and look into a career change. Lt. Santos has been a member of the town's police department since December 1, 1969 and Chairman DeCosta said "We'd like to thank him for all his work, as he will be sorely missed."

• Lois K. Ennis, Town Clerk, sent a memo to the board relating to the implementation of the E-911 system and the identification of duplicated street names in town. In order to avoid confusion, the duplicated street names will be referred to by name plus a two digit (letter) code. New street signs have been erected as follows:

Bay View Avenue - BB for Brant Beach; Bay View Avenue - MS for Mattapoisett Shores/Mattapoisett Neck; Bay View Avenue - CD for Cedars; Harbor Road - HB for Harbor Beach; Harbor Road - NK for Mattapoisett Neck; Highland Avenue - BB for Brant Beach; and Highland Avenue - PC for Point Connett.

Ms. Ennis noted that it is important for residents of these streets to begin using the extra digits in their communications in order to provide adequate police, fire and other emergency services to all locations in town.

• Everett L. Hardy, Jr., the Chairman of the Acushnet

Board of Selectmen submitted a copy of a letter he sent to the President of the New Bedford City Council expressing his town's opposition to the burning of PCB's in New Bedford.

• Assessors' Administrator Lynn M. Traudt sent the board a memo advising them that the Assessors office hours will be as follows until further notice: Monday, Wednesday and Friday from 8:00 am to 4:00 pm; Tuesday evenings at 7:30 pm for board meetings.

• The Hands Across the River Coalition sent tickets and notification of a Benefit Dinner to be held on Sunday, September 26 at 3:00 pm in the Fairhaven VFW. The group urged members of the Board of Selectmen to attend.

There being no Selectmen's Discussion items, the board next considered the establishment of a new smoking policy in the Town Hall offices. Selectman Lambalot explained that there has been a lot of discussion for some time about limiting smoking in Town Hall, and for the most part it has been limited to the Treasurer's and Town Accountant's offices. With a new location prepared as an employee's lunch room on the second floor, the board unanimously agreed that this will be the only area where smoking is to be permitted inside Town Hall, effective September 27.

The Selectmen then allotted time to schedule police contract negotiations during the upcoming month. Since Monday evenings were the most convenient for all involved, the following dates were set aside for this purpose: September 27, October 18 and October 25.

The Board of Appeals notified the Board of Selectmen that they are currently seeking applications to fill a full-time vacancy on their board and two alternate positions. Those interested should submit a letter and resumé to the Board of Selectmen, c/o Town Hall.

Chairman DeCosta then reviewed a meeting held last week with Rep. Barney Frank and other representatives of the Marion/Mattapoisett/Rochester Housing Co-Op, Inc. at Tabor Academy in Marion. Some 125 bankers, realtors, town officials, and other representatives came together to praise the efforts of groups like the co-op and discuss ways to allocate further funding for such worthwhile efforts.

Mr. DeCosta noted that there are still monies available for first-time home buyers in the tri-town area through the co-op, and interested persons can pick up applications and information at any one of the three Town Halls, or can write to the Housing Co-Op, at P.O. Box 779, Marion, MA 02738.

At 7:30 pm, the board met with Daniel White, Robert Furtado and Barry Perkins of the Cable Advisory Committee to discuss the pending contract renewal with Continental Cablevision next year and the committee's progress in evaluating the new contract. The current contract expires in June, 1994, and — according to Mr. White — the company is anxious to renew their contract with the town.

"They want a 10-year contract and have proposed to rebuild a new fiber optic system in town which will carry about 77 channels," he said. "It's a state-of-the-art system and it will certainly benefit both the town and the company."

Although the town hasn't been given a formal proposal yet as to what will be offered in the new contract, the committee members had some reservations about signing on for a long term deal. "We should think hard about giving them a 10-year contract," said Mr. Furtado. "I think that would be a serious disservice to the people of Mattapoisett. There is a lot of new technology out there and I don't think we should lock

ourselves in. We really should consider this and consult legal counsel before signing on for that length of time."

"I agree," said Mr. Perkins. "Continental Cablevision is a good company and has provided good service to the town, but 10 years from now everything is going to be different in terms of technology. The new fiber optic system is something we could use, but I don't think we should be ready to give up everything for it."

Although Mr. White said he wasn't opposed to a 10-year contract as suggested, he'd like to wait and see what the company's final proposal consists of before making a recommendation on the contract renewal. "I think we should wait and see what they offer first and then decide what we like and dislike about it," he said.

Much of the contract will also rest on the changes in the new federal cable regulations and the way in which they are interpreted by the company and reflected in their monthly bills to customers. The committee also wanted further details on what changes will be made in the rate structure before committing the town to a new contract.

Marion Selectmen's Meeting

September 21, 1993

By Bethany Morgan

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, September 21 at 7:00 pm by Chairman James S. Dougall. Also present were Selectman Albert E. Winters, Executive Secretary Ray E. Pickles, and Secretary Helene Craver. Selectman Loretta B. Schaefer was absent from the meeting.

Following the signing of the weekly warrants, the approval of the warrant of the October 12 Special Town Meeting, and the approval of the minutes for the September 14 meeting, the board discussed the cleaning of the effluent brook with the Conservation Commission.

Mr. Pickles brought to the attention of the board that five property owners who abut the brook must be notified with a letter of intent of the removal of debris. Horace Kenney, Chairman of the ConCom, wished the board to consider rocks and heavier debris for removal along with the vegetation. Chairman Dougall stated that the notice of intent, signed by the abutting property owners, will provide a crew to keep the brook free from debris.

Next the board discussed an evening meeting curfew proposed by Chairman Dougall. Mr. Dougall suggested imposing a curfew of 10:00 pm after receiving several complaints from committee members who work full-time. Selectman Winters added that the recent late night meetings, in the future, would serve as a deterrent for working people to become a member of a committee. The board then decided to send a memo recommending the 10:00 pm curfew.

The board then discussed the nomination of a

candidate to represent the town in the SEMASS Run for the Environment. To date, Andy Moss of East Marion has been the only volunteer, and consequently the board decided to select Mr. Moss as the town's representative. Selectman Winters, upon remembering he was a cousin to Mr. Moss, announced he could not participate in the vote. Chairman Dougall — being the only member to vote — decided in light of no other competition, Mr. Moss would represent the town.

Mr. Pickles asked that the Marion Sports Shop's water bill dilemma be placed on next week's agenda along with a circulation request on mobile phones since the town may be exceeding its limit for the current program.

Incoming correspondence for the week included:

• Memo from James S. Dougall recommending qualifications for a Shellfish Officer's position, if and when the position is created. The recommendation surfaced after Mr. Dougall's review of the minutes September 13 Marine Resource Commission meeting. Qualifications included: the candidate must be a marine biologist; the position should include shellfish propagation; the candidate should fill the needs of both the resident and commercial shellfishermen; and should be industrious.

• David K. Pierce, Chairman of the Marion Planning Board, sent a letter regarding the Great Hill Trust Development. The letter emphasized the board's disagreement with the "high density of the plan, with little regard to road cuts on an already congested Delano Road." The board is also concerned with "J. Mahoney's lack of attention for the safety of the motorists on Delano Road." The board has refused to sign off on the development at the present time.

• A letter from Andrea McGee, Run Coordinator for SEMASS, reminding the board that the SEMASS Run for the Environment is scheduled for Saturday, October 2.

• A letter from Eric Radin of 6 School Street, supporting Ms. Catherine Jones' request to have the tree at the corner of Main and School Streets removed.

• A petition for a Free-Skating Community, urging the selectmen to protect their right, as adults and citizens of Marion, to exercise in whatever ways they seek fit, fun, and safe. The petition, with 41 signatures, asked that education address the safety issues. Chairman Dougall stated that the board will take this matter under advisement.

• Carol Sanz, 110 Front Street, requested that the board "Send a letter to the members of the New Bedford City Council expressing their support of the courageous decision to stand united against the Environmental Protection Agency's (EPA) construction of a PCB incinerator in New Bedford. Ms. Sanz, who also attended the meeting, asked the board if they have sent any letters regarding the issue of the incinerator. The board responded that they had and will send a letter to the New Bedford Council along with copies to area representatives.

• Notice from the Police Department requesting the

board to look into the proper numbering of housing for residences to assist in the proper and efficient functioning of the E-911 system.

• Memo from Harbormaster George Jennings, requesting the declaration of two used motors as surplus — one in good condition, the other in need of rebuilding. The board so moved and will place the motors out to bid. Mr. Jennings also requesed opening Wings Cove for shellfishing. The board so moved the request.

• Joseph E. Costa, PhD, Project Manager for the Buzzards Bay Project, sent a letter regarding the recent hiring of John Rockwell of Marion as the Buzzards Bay Project's Wetlands Specialist. Mr. Rockwell is also a member of the Marion Conservation Commission.

Mr. Pickles had written to Mr. Costa regarding the potential conflict between both positions. Mr. Costa advised the board that they have already contacted the State Ethics Commission and their lawyers. Should the board or the Ethics Commission identify an actual or perceived conflict, Mr. Rockwell will be asked to resign from the Marion Conservation Commission.

The board then discussed briefly with Lee Craver, President of the Marion/Mattapoisett/Rochester Housing Co-Op, Inc., the progress made during Rep. Barney Frank's visit last Monday (September 13). Mr. Craver gave the board a few highlights of the conference, which was attended by some 125 realtors and bankers. Mr. Craver emphasized that the major accomplishment was the improvement of the flow between the committee, the bureaucrats and the realtors. Nine families have so far been helped through the Marion/Mattapoisett/Rochester Housing Co-Op, and there remains two more funded openings. The application cutoff date is October 30, 1993.

There being no other matters to come before the board, they adjourned at 7:40 pm.

Rochester Selectmen's Meeting

September 20, 1993

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, September 20 at 7:00 pm by Chairwoman Lorraine Roy Hawkes. Also present were Selectman David L. Hughes, Selectman Michael Murphy and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the September 13 meeting (at which only Chairwoman Hawkes and Selectman Murphy were present) and the September 16 meeting, Ms. Hawkes called to continue the Earth Removal Permit hearing for Great Bear Farms, Inc. Present on behalf of the company was President James Rezendes.

Last week, Mr. Rezendes noted some exceptions he had with the stipulations of the Earth Removal Permit, and the board decided to wait until this week when all three members were present to make a final decision in the matter. The first point brought out by Mr. Rezendes was the fact that the permit stopped him from removing any topsoil from the site during his preparing the property as a cranberry bog.

"I checked the town by-laws and there's nothing about topsoil in them," said Chairwoman Hawkes. "I don't think we can put that restriction in the permit."

Selectman Hughes explained that his intention in limiting the amount of topsoil that is taken off the property was to ensure that the slopes of the bog are completed to specifications. "I just don't want any of the topsoil to be taken off the property until the project is complete," he said.

"We've had projects like this before where they've had to bring in more soil to build up the slopes ... and I don't want to see that happen again."

Chairwoman Hawkes then suggested that the permit specify that 750 yards be left stockpiled on the site to build up the slopes of the bogs. The board was agreeable to this change.

Mr. Rezendes also wanted to know if it was necessary to contact all his abutters, as most of them are well outside a 500-foot area of his 300-acre property. "We have over 300 acres of land," he said. "If we have to notify all of them, it could be as many as a dozen."

But both Selectman Hughes and Selectman

Murphy agreed that notifying all the abutters is only good courtesy, regardless of how close they are to the project in question. "I don't think it would hurt to notify all immediate abutters to the property," Selectman Murphy said.

The board agreed to make minor changes in the next three stipulations as requested by Mr. Rezendes — to proportion the slopes of the bogs at a ratio of 3 to 1; to notify the Board of Selectmen if removing anything over 200 yards of soil from the site; and an agreement to pave a right of way to the property, of which a 1,000-foot section has already been completed.

Highway Surveyor Jeff Eldridge was still concerned about the company's responsibilities in maintaining the condition of Dexter's Lane. "The road's in tough shape now," he said. "If you figure the yardage that's going over the surface, how can you determine if he's liable for damage to the road?"

The board agreed to take photos of the road this week and keep them on file so the condition of the road can be compared before and after the project. At the board's request, Georgia Chamberlain agreed to take dated photos of the road which will be kept on file for this purpose.

With that, the board unanimously approved to grant the Earth Removal Permit to Great Bear Farms, Inc. with the changes as discussed. Mr.

Rezendes said he would be back next week with the bond for the project.

At 7:16 pm, Chairwoman Hawkes opened a Public Hearing for a Class II license request from Jeffrey P. Ponte d/b/a The Custom Shop located at 45 Pine Street in town. The license would allow Mr. Ponte to buy and sell second-hand motor vehicles at the site.

Selectman Murphy abstained from the hearing.

Mr. Ponte explained that he would like to have up to 12 cars for sale at the existing repair/ renovation shop and hopes to run a small business without causing any problems in the neighborhood.

A representative from Memorial School noted that he had some concerns about the noise level as the business is so close to the school.

Mr. Ponte stressed that he's made an effort to keep the noise level down now as best he can and he doesn't anticipate any increase in the noise level with the new car sales.

Neighbor Bill Post agreed that he's done a good job in keeping the noise down most of the time, but he's concerned about grinding and other loud work that will be done in the summer time with the doors and windows open.

Again, Mr. Ponte said he can close the main

door to the garage and that will keep a majority of the noise from reaching his neighbors.

Tuck Hartley noted that he ran a similar business at the same location for nearly 40 years and he never had a problem with noise or complaints. Most of Mr. Ponte's other neighbors and abutters agreed that he has run a neat and clean business at the site and they didn't have any major objections to the license request.

Selectman Hughes then moved that Mr. Ponte be granted a Class II license pending a permit required for him to operate said business from the Board of Appeals. As the $100 license fee was to be pro-rated for the third quarter, Mr. Ponte was to pay $25 at this time for the license.

Under incoming correspondence for the week, Chairwoman Hawkes noted that the board received a check from SEMASS in the amount of $153,271.91 representing 77,803 tons collected for the month of August.

AnnMarie Cerulli
CERULLI'S GOURMET FOODS
33 G,unLy Road
Mattapoisett, MA

Dear AnnMarie,

We would like to take a little of your time to thank you for the wonderful job you and your staff did catering our wedding. One year ago today we returned from our honeymoon and people still talk about the wonderful food at our wedding. It's hard to believe we've been married a year already, but it's not hard to believe the comments about the food. Even though the bride and groom are not supposed to remember their wedding day, we remember the food. It was fabulous! Thank you for working with us as you did on the menu and helping us to plan just the right fare for a warm August evening. Your suggestions were right on the mark. Your staff was excellent and very helpful. From the bride and groom's point of view, everything went perfectly. From what I've heard from the guests, they think the same.

Whenever someone we know mentions a need for a caterer, your name comes out of our moulhs immediately. You and your staff were a pleasure to work with from start to finish.

Thanks again,

Gary and Lyn Newton

sent the board a letter stressing his interest and concerns about the proposed PCB incineration in New Bedford. Mr. Cairns suggested the board might draft a letter to the New Bedford City Council stating their opposition to this project. The board unanimously agreed to send a letter to the council on this point.

Copies of recent Board of Appeals decisions were sent to the board for their files. Among these:

• Betty J. Harte of Gerrish Road for a Special Permit under Section VIII D1 of protective by-laws to allow use of a single-family structure for trade requiring employment of more than one employee. The request was denied by the Board of Appeals.

• Raymond A. Lawrence of Neck Road for a Special Permit under Section VIII C2a of protective by-laws to allow an oversized accessory structure. The request was granted by the Board of Appeals.

• Paul E. Atwood of Bassett Street for a permit under Section VIII B of protective by-laws to allow a variance from side lot set back requirements. The Board of Appeals agreed there would be detrimental effect in granting this variance.

Attorney Philip Beauregard sent a letter to the board requesting their intentions in having him continue in a DEP water supply matter. Mr. Beauregard wanted to know if the board was in favor of him continuing on behalf of the town or turning the matter over to present Town Counsels Kopelman and Paige. The board agreed by majority vote to have Mr. Beauregard continue on their behalf, with Chairwoman Hawkes abstaining.

A request from Police Chief Walter V. Denham was next considered to waive an Auctioneer's License fee for a bicycle auction to be held at the police station on October 9. As Harry A. Brown, Jr. has volunteered to serve as auctioneer for the department, Chief Denham asked that the fee be waived so they can get rid of the many bicycles that have been picked up and stored at the police station over a period of time. The board unanimously

agreed to waive the fee.

Under the board's signature for the week, they unanimously approved payment of an invoice for $1,030.36 from Kopelman and Paige, P.C. for legal services rendered during the month of August. Another invoice was submitted from Beauregard and Burke, P.C. for legal services in the case of Chevelier vs. Chamberlain. Chairwoman Hawkes said she would like a more detailed breakdown of the expenses and an explanation of services rendered before approving payment. The board agreed to hold the invoice pending this information.

Under New Business, Selectman Murphy noted that another noise complaint was made over the weekend relating to the Gateway Auto Club's car show at the Plumb Corner Mall. "I received a call and I went down and the sound level was below 80 decibels," he said. "They were very courteous and agreed to turn the music down. They also told me they're going to have a meeting this week and they're thinking of making changes next year ... maybe change the direction of the speakers, and change their hours so it doesn't go as late. They want to do what they can to keep the car show in town."

Chairwoman Hawkes said she spoke with Town Clerk Naida Parker regarding part-time employees in town, and she was told that Ms. Parker would like to treat them all like contracted employees, thereby eliminating the liability to the town in collecting unemployment benefits.

Selectman Hughes said he was concerned about the decision made last week to bring New Bedford in on the shared Regional Conservation agent between Marion and Rochester. "I'm not happy with having New Bedford in on this," he said. "They weren't part of the original agreement we signed."

Last week Chairwoman Hawkes noted that New Bedford had agreed to pay for the agent's health benefits if they could use his/her services for one day a week (20 percent). Since neither Rochester nor Marion had the additional funds to do this,

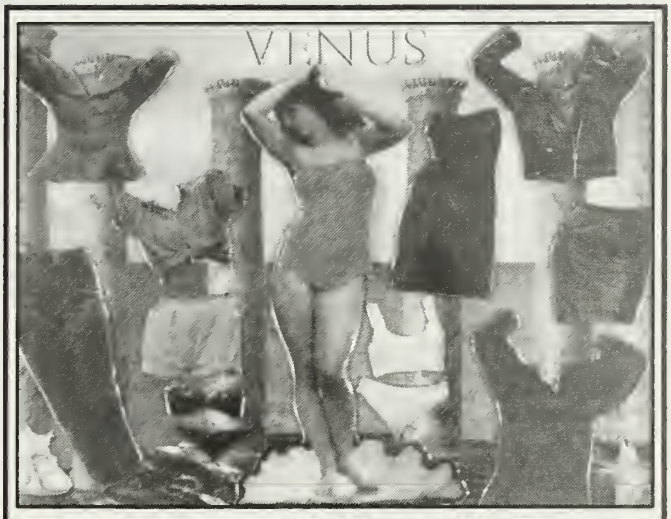
those who wrote the initial grant to hire the Regional Conservation Agent agreed to allow New Bedford to share 20 percent of the agent.

There being no further matters to come before the board, they adjourned at 8:05 pm.

Letter to the Editor

To the Editor:

The Old Rochester Regional Junior High School Student Advisory Council has collected used eye glasses and given them to the Mattapoisett Lions Club. These glasses will be refurbished and distributed to needy individuals in third world countries by Lions International.



Dress up your fridge with Venus.

Mattapoisett Fire Department Open House

On Thursday, October 7, the Mattapoisett Fire Station (26 County Road, Route 6) will be the site of an Open House from 6:00 to 9:00 pm sponsored by the Mattapoisett Fire Department.

This special event is ideal if you always wondered about these important questions: Does your family have an evacuation plan set up in case of a fire in your home? Do you know where your smoke detectors should be placed and how often the batteries should be changed? Will your child know what to do if your house is consumed in smoke?

Displays will include Engine Company 1, 2 and 4; Rescue Truck with the "Jaws of Life"; a "Scott" Air Pack demonstration; a Fire Prevention

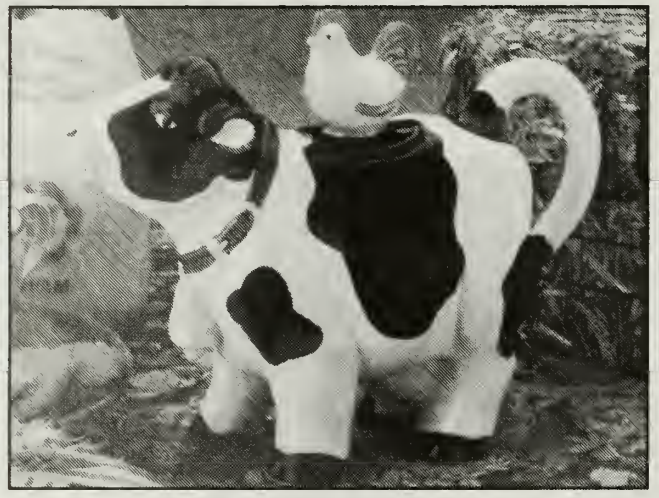
Halloween Parade in Planning Stages

The time is here again to prepare for the Annual Parade and Costume Contest in Mattapoisett. We ask that you again help us make this event the large success that it has been in past years. We hope that you will be generous and contribute to the donation cans that will be distributed to local businesses throughout town. You can also contribute by sending donations to the Mattapoisett Halloween Fund, c/o the Mattapoisett Police Department.

As usual candy, entertainment and prizes will be awarded for the best costumes. You must be a Mattapoisett resident to win a prize, but everyone is invited to participate in the parade and enjoy some of the treats. Let's all help and pitch in to make this year's event a success.



Collectors will appreciate our selection of delightful, original teapots, attractive for both display and year-round tea parties. Many styles available.

Machacam Club

The Machacam Club will hold its first meeting of the 1993-1994 year on October 6 at the American Legion Hall on Depot Street in Mattapoisett. Social hour will be at 5:30 pm with dinner service beginning at 6:00 pm.

Our guest speaker for this meeting will be Mattapoisett Police Lieutenant James Santos. Lt. Santos will speak about the town's ambulance service capabilities, equipment and training.

Callers are reminded to report their lists no later than 9:00 pm on October 4. Last minute changes and reservations may be made by calling Mike Lamoureux at 758-9311.

Adoptable Animals

Looking for a Friend?

Now that the chilly fall weather is starting to settle in, wouldn't it be nice to have a cuddly, furry

H PETER B. HODGES
ACCOU

32 Crystal Spring Road, Mattapoisett

friend around to keep you warm?

Thanks to the local volunteers at Animal Umbrella Inc., you can adopt any of a number of lost, abandoned or stray cats in and around the tri-town area. This week there's plenty to choose from, including:

- two part-Siamese beige-colored kittens
- three sweet tortoiseshell females
- two orange tiger males
- one tea-cup size chocolate brown kitten with seven toes
- two grays — one tiger with double paws, the other long-haired solid gray
- a very different coffee-colored male
- one long-haired tiger with white markings.

Good news this week! Our adult cat, "Charlie," featured here last week, was adopted by a family in New Bedford with a young girl to love her.

Some other adult offerings this week include:

- a recent mother — part-Siamese with long hair and blue eyes

758-4247 • Monday thru Saturday 9:30-5:30

• a six-month-old female long-haired tiger kitten who loves children

• two neutered males — one black, 2 years old and one tiger, 7 years old (both have double paws)

• one one-year-old tiger female, also with double paws.

Please call 979-7856 if you are interested in any of the adult offerings.

If you would like to adopt any of these other wonderful animals, please call one of our local Animal Umbrella representatives — either Mary Lou Kobak (994-6168) or Diane East (997-4037). To assist in their efforts or to report any other lost or found pets in the area, you can also call either number.

In the Lost and Found department this week: the group is still searching for the owner of an orange and white male kitten who has lost one eye; also a gray tiger wearing a white flea collar was lost on Crystal Springs Road. Please call 758-6941.

The Wanderer would also like to remind private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change in living arrangements, new babies, or the like. Simply write up a full description of the animal and drop it off at our office (55 County Road, Route 6) or mail it to P.O. Box 102, Mattapoisett, MA 02739. Please note: this is only for those who are giving pets away. Any trades or sales must be placed

Buzzards Bay Project Hires Wetland Specialist

On Monday, September 20, the Buzzards Bay Project announced that it hired John Rockwell of Marion as the Project's "Wetlands Specialist."

As the Wetlands Specialist, Mr. Rockwell will provide technical assistance to Buzzards Bay communities. The technical assistance will include conducting wetland delineation training workshops for Conservation Commissions and conservation agents, helping towns develop or upgrade their wetlands by-laws, and helping Conservation Commissions or conservation agents review difficult projects.

Buzzards Bay Project Manager, Dr. Joseph Costa, in announcing the appointment of Mr. Rockwell, cited his long experience on wetlands issues. Mr. Rockwell, a wetlands consultant, was former Conservation Agent for the town of Westport, and has been Chairman of the Marion

Conservation Commission (ConCom) for eight years. Mr. Rockwell is also on the Board of Directors of the Massachusetts Association for Conservation Commissioners, and has been conducting training workshops for that organization for several years. Mr. Rockwell is completing a master's thesis with Antioch University in New Hampshire on wetland delineation methodologies, and was a student intern with the Buzzards Bay Project during portions of 1992 and 1993.

"We are excited about having John join the staff," Dr. Costa said. "There is a real need for additional wetlands expertise around Buzzards Bay because only half our towns have conservation agents. And even for those that do, there are always challenging projects that come along that are difficult for a town to evaluate without some outside expertise."

He noted that this initiative compliments the joint award by the Buzzards Bay Project and the Buzzards Bay Action Committee of $25,000 to the towns of Rochester, Marion and New Bedford to hire a regional conservation agent to be shared among the three towns. Dr. Costa also noted that these initiatives help implement the recommendations contained in the Buzzards Bay Comprehensive Conservation and Management Plan, a document written by the Project and approved by Governor Weld and the United States EPA.

Towns eligible for wetlands technical assistance include Acushnet, Bourne, Carver, Dartmouth, Fairhaven, Falmouth, Gosnold, Marion, Mattapoisett, Middleboro, Plymouth, Rochester, Wareham, Westport, and the city of New Bedford. "We are also trying to increase public awareness that protecting coastal and inland wetlands is a very high priority if we are to protect water quality, drinking water, and other precious natural resources," said Dr. Costa.

Boating Safety Classes for the Family

Could every member of your family operate your boat safely in an emergency? Does everyone know the fundamentals of small boat handling? The basic "rules of the road"? How to use a marine radio properly? Chart basics?

Prepare for the next season by joining the

Boating Safety Classes offered by the Marion Flotilla of the U.S. Coast Guard Auxiliary at the Marion Music Hall (VFW) on Front Street in Marion.

Young people who want to meet the state requirements for those under 16 operating a power boat alone, those who wish to qualify for the discounts offered by some insurance companies, and those who have successfully completed a basic safe boating course, new boaters and those who wish to refresh their skills are welcomed.

Late registrations will be accepted at the beginning of the first class on September 29 at 7:00 pm. Subsequent classes will meet from 7:00 to 9:00 pm on Wednesday. For more information, please contact Clayton Hagy at 758-3102 or Walter Ulewicz at 763-5424.

Rochester Cultural Council

The Rochester Cultural Council announced that applications are now being accepted for the distribution of arts lottery and PASS (Performing Arts Student Series) funds. Projects are chosen subject to state approval, on the basis of criteria such as quality, benefit to the community, accomplishments and financial need.

Applications and guideline information are available at the Rochester Town Hall. Completed forms should be returned to the Town Hall by

Tri-Town Early Childhood Advisory Council

The Tri-Town Early Advisory Council will hold its first meeting of the school year at the Sippican School in Marion on Wednesday, September 29 beginning at 3:30 pm. The meeting will be held in Room 30.

The Early Childhood Advisory Council is composed of parents, interested community members, and professionals from the local early childhood community. It includes representation from the public schools and private programs. It oversees the work of Project GROW, which provides information, programs, and services to Tri-Town area children and their families. At this important meeting, officers will be elected and goals will be established for the school year. Interested community members are encouraged to attend.

Mattapoisett Town Clerk

Voter Registration

If not registered to vote, do so now so that you can participate in the Special Town Meeting and Election to be held on November 1 and 2. Town Clerk office hours are Monday through Friday, 8:00 am to 4:00 pm and Tuesday evenings, 7:00 to 7:30 pm.

Waterway Amnesty

A reminder that all seawalls, piers, jetties, groins or other coastal engineered structures below mean high tide need a Chapter 91 license that must be recorded in the Registry of Deeds. This applies to all structures, regardless of age. Contact your civil engineer or Mr. Robert Burris at the Department of Environmental Protection (DEP), Waterways Regulations, at (617) 292-5777 for details of the

BUYING A HOME?

NBIS offers a variety of mortgages for Home Buyers ...from traditional to FAST-PAY®

When you're shopping for a mortgage... it's time to talk to a mortgage specialist at NBIS.

Buying, building or refinancing is a major long term investment. That's precisely the reason to visit NBIS. The biggest involvement in the communities NBIS serves is making mortgages.

And, because NBIS has been providing mortgages since 1825, the NBIS specialists are knowledgeable and experienced in helping you choose the right kind of mortgage for you... plus they guide you with sound advice on what precautions to take when making one of the most important investments of your lifetime.

If you haven't gotten to know us yet, please stop in... we'd like to introduce ourselves.

licensing process during the present amnesty period which ends October 4.

Mattapoisett Harbormaster/Wharf Commissioner

Pump Out Station Fall Operation Hours

The fall hours for the Mattapoisett Pump Out Station are Saturday and Sunday between 8:00 am and 3:00 pm. This will continue through October 10 and then will be discontinued until next year. To use the station, you simply tie up to long wharf near the swordfish. Go to the Harbormaster's building and ask to be pumped out. It's that easy and there is no charge. Please help keep our harbor clean.

Unpaid Mooring and Boat Sticker Fees

Notice is given to all persons who have not paid their past or current mooring or boat sticker fees that they are subject to having their mooring removed at the owner's expense. If you have any questions as to the status of your mooring, please call the Town Clerk's office at 758-4103. If you need to register an existing mooring, call Harbormaster Steve Mach at 758-2052.

Center School in Mattapoisett. Children ages three and four residing in Marion, Mattapoisett, or Rochester are eligible for appointments. The purpose of the screening is to identify young children with potential learning problems.

The screening will look at the child's thinking skills, speech and language development, memory skills, coordination, hearing and vision. It is conducted by Project GROW and staff in the pre-school classroom. If you suspect your child is having difficulty in any of these areas, or simply wonder if his/her development is "on target," call 748-0100 for an appointment. Screening clinics are offered regularly throughout the school year. Locations rotate among the three towns.

ORR Cross Country Challenge

You asked for it!

The first Cross Country challenge was so successful, the ORR Cross Country Boosters Club is sponsoring another on Saturday, October 16. The 2.5 mile run will take place at ORR High School. Registration begins at 8:30 am and the race starts at 9:00 am. A one-mile fun run will also be started at the same time. Donation for the fun run is $2 and for the challenge run is $4. Refreshments will be available after the races. All monies raised will go to the purchase of warm-up suits for the boys' and girls' cross country teams.

Get on your running shoes and come join the runners!

Local Discussion on PCB Burning in New Bedford

On Thursday, October 7, the Downwind Coalition, Hands Across the River, Concerned Parents of Fairhaven, and the Marion Natural History Museum will be co-sponsoring an information discussion regarding the proposed dredging and subsequent incinceration of PCB contaminated sediments in New Bedford. The discussion will be held at 7:30 pm at the Marion Natural History Museum, which is located over the Elizabeth Taber Library on Spring Street in Marion.

Mattapoisett Woman's Club Calendar

The Mattapoisett Woman's Club will once again be selling the Community Calendar to benefit the scholarship fund. Last year the club raised enough for four $1,000 scholarships that were awarded to deserving Mattapoisett students.

We need your support to achieve our goals. Members will be canvassing homes and businesses to sell calendars and ads. If you are not contacted

Literature from the University of Massachusetts Dartmouth. Michael has been assistant director for the UMass Theater Company and coordinated the Children's Theater program there for the past five years. He also worked with drama and dance teachers as music teacher at the Tufts University Creative Arts Summer Camp.

The Marion Art Center is pleased to have Mr. Byrne join the staff of professional teachers. The Children's Theater classes for the fall will run from September 29 through December 15. The fee for the 12-week session is $95 for Grades 1-3 and $110 for Grades 4-6. (Non-members, please add $10 registration fee). Please call 748-1266 to pre-register for the session.

"Works on Paper" Exhibit

"Works on Paper" is the title of the exhibition now open at the Marion Art Center. Four artists are featured in the multi-media show. The exhibit includes watercolor/gouaches by Glenn Davis, a resident of Saugus; collages by Mary Ross of Brighton and Norma Sumner of Fairhaven; and polaroid transfers by Wareham artist Anne Robertson.

The "Works on Paper" show will run through October 15. Gallery hours are Tuesday - Friday, 1:00 to 5:00 pm and Saturday, 10:00 am to 2:00 pm. There is no admission charge.

Drawing and Painting for Adults

This class will be offered on Thursday mornings from 9:30 to 12:00 noon beginning September 30. The class will be taught by Jane Bregoli, a well-known artist and teacher in the area. The course will run 8 weeks and the fee is $85 for Marion Art Center (MAC) members and $95 for non-members. Students should bring their own materials. Call 748-1266 to register.

Life Drawing Workshop

This course will be offered with a model on Wednesday evenings from 7:00 to 9:00 pm. Experienced artists are welcome. There is no instructor. The eight-week session begins on September 29. The fee is $40 for MAC members and $50 for non-members. Space is limited. Call 748-1266 to register.

After School Art with Andy Anderson

This program is available to kids serious about art on Thursday afternoons from 3:30 to 5:00 pm beginning September 30. This course runs eight weeks. The fee is $80 for MAC members and $90 for non-members. Call 748-1266 to register.

Saturday Morning Studio

This course will be offered for kids and begin on October 2 from 10:00 am to 12:00 noon. Jane Bregoli will instruct this class open to 8-12 year olds. Basic skills in drawing and painting will be supplemented with Sumi painting and printmaking. There will be a small materials charge. Fee is $85 for MAC members and $95 for non-members. Call 748-1266 to register.

Private Music Lessons

Lessons in piano, Suzuki piano, voice, recorder and guitar are available by appointment. Instructors are: Charlene Maker, Helen Balboni, Donna Prypiin, Ben Dunham, and Joe Scott. Call 748-1266 for information.

Rochester Woman's Club Auction

The annual auction of the Rochester Woman's Club will be held at the Club House on Route 105 in Rochester on Saturday, September 25. Viewing will be 5:00 to 6:00 pm and the auction will begin at 6:00 pm with Joe Thompson serving as auctioneer.

This is the club's annual event and helps to maintain the club house and support charities. If anyone has any donations please call 763-3375 and

Mattapoisett Board of Assessors

The Mattapoisett Board of Assessors is notifying taxpayers that the first half tax bills for Fiscal Year 1994 will be preliminary bills. The preliminary bill will be one-half of last year's total bill. These bills are being issued in order to avoid the need to borrow money.

We are currently conducting a full re-evaluation, which is required every nine years. This is an enormous task and will not be completed prior to October 1. Although the field work has been completed and much of the data has been entered into our new computer system, not all required analyses have been made.

In the spring, we intend to notify taxpayers by individual impact notices or by public notice in local newspapers when the new valuations are set, prior to sending the second half bills. This will enable taxpayers to question their new values prior to receiving their actual bills.

We have recently hired a new Assessors Administrator who is available during the day to answer any questions taxpayers may have.

Mattapoisett SHARE program will use a new combined registration form. This *one* paper will include: your money receipt for your food package; your community service receipt (the old pink sheet); and D-Day information including pick up time and place.

Using this one form will hopefully make registration easier for everyone. Please remember to fill in the community service portion before you come to pick up your food. This includes where you worked, what you did, when (date), the number of hours, and the signature of who you worked for.

Pick up time on D-Day (September 25) is from 12:15 pm to 1:15 pm. Please remember, if you do not pick up your food during pickup time, we will *not* hold it.

Marion Council on Aging

Meals on Wheels

The Sippican School will be the site for the Meals on Wheels program. Seniors are also welcome to come for lunch at the school cafeteria at 11:25 am. The cost for the lunch is only 75 cents.

Blood Pressure Clinic

The Marion Visiting Nurses Association will hold a Blood Pressure Clinic every Wednesday morning between the hours of 9:00 am and 12:00 noon. There is no charge for this vital service.

Old Rochester Regional Junior High School

Vocational Awareness Day

A "Vocational Awareness Day" will take place on Wednesday, October 6 at Old Rochester Regional Junior High School. Participating schools will be Old Colony Vocational, Upper Cape Cod Vocational and Bristol County Agricultural. Students in Grades 7 and 8 will have the opportunity during the school day to view firsthand various shop areas presented by the vocational students while evening hours will be open for parents and the community.

SHARE

SHARE pickup will be on September 25 from 11:30 am to 1:00 pm. Participants need to bring their cash receipts and signed community slips as well as bring a good-sized, sturdy box to hold the food order. All unclaimed food packages will go to food kitchens. There are no refunds on SHARE packages.

Old Colony Regional Voke Tech

Course for Electricians

As a community service, Old Colony Regional Vocational Technical High School will offer to electricians a continuing education course based on the 1993 Electrical Code. This 15-clock hour mandatory course will be offered three times during the 1993-1994 school year.

The first course will begin on Monday, October 18 and will run three hours per night on consecutive Mondays. Pre-registration is required and enrollment is on a first-come, first-served basis.

Interested licensed electricians may pre-register by calling Marcus Ashley or Michael Forand at Old Colony (763-8011, ext. 31). A copy of the 1993 Massachusetts Electrical Code is required. The cost of the course is $50 or $30 for anyone 70 years old or older. Make checks payable to Old Colony RVTHS.

There will be at least two more review courses, beginning January 10, 1994 and one beginning May 2, 1994.

Non-Traditional Support Group

Officers have been elected for the Old Colony Non-Traditional Support Group. Now in its sixth year, the group is comprised of students who are entering fields of employment that have not been traditional for members of their sex. Various programs and activities are made available to these students to aid them in their educational and employment pursuits. Both federal and state law support gender equality opportunities.

Selected to lead the organization during the 1993-1994 school year are seniors Heather Brassil,

Heather Brassil, who will serve as President and studies off-set printing at the school, resides in Carver and plans to attend college and possibly major in history. Vice President Sharon Tripanier lives in Rochester and is also studying off-set printing at the school and is college-bound. Rochester resident Michelle Santos will serve as Secretary for the group and plans to further her off-set printing trade upon graduation in 1995 by opening her own business. Treasurer Jennifer Hebert, also of Rochester, is a student in the Machine and Architectural Drafting Department and aims for a career in either mechanical drafting or interior decorating.

YMCA Youth and Family Center

Teen Night

The YMCA Youth and Family Center is planning a Teen Night on Friday, October 8 from 7:00 to 10:00 pm. All seventh and eighth grade students are invited for an evening of movies, games and contests. Adult supervision is provided by YMCA staff. Refreshments will be available at our snack bar. Please call the YMCA at 758-4203 for more information. The cost per teen is only $2.

Family Nights

The following Family Nights are planned at the YMCA Youth and Family Center in Mattapoisett:

• Friday, September 24 — Las Vegas Night: the center will have a variety of "casino games" that are fun for the whole family (Monopoly money, only!) from 7:00 to 9:00 pm. A $5 per family donation is requested.

• Friday, October 30 — Halloween Hay Ride through the center's 25-acre property will also include pumpkin carving, apple bobbing, spooky stories, and lots of fun beginning at 6:30 pm. A $5

Child Care Programs

The YMCA of Greater New Bedford offers licensed child care programs designed for all kinds of children and parents. A Full-Day Child Care Center for children ages 2.9 to 6 years old is located at the downtown facility, 25 South Water Street in New Bedford.

The YMCA also offers a quality After School Care Program for children in Grades 1 through 6 at the YMCA Youth and Family Center on Reservation Road in Mattapoisett. Limited transportation to the program is available.

Both of these programs provide children with an opportunity to engage in activities which benefit them emotionally, physically and educationally. In addition, we teach children important social skills like sharing and how to get along with others. Parents interested in receiving more information on our Full-Day Child Care Center should call 997-0734. Information on the After School Program is available by calling 758-4203.

Aerobics Classes

The YMCA Youth and Family Center in Mattapoisett also offers Low to Moderate Impact Aerobics Classes on Monday and Wednesday evenings from 6:00 to 7:00 pm. We have qualified instructors and small classes for men and women at beginner and advanced levels. Floor mats are provided. Cost is $1.50 for YMCA members and $3 for the general public.

The YMCA Youth and Family Center is located at the end of Reservation Road off Route 6 in Mattapoisett. Please call the Center office at 758-4203 for more information.

Mattapoisett Cultural Council

The Mattapoisett Cultural Council — formerly the Mattapoisett Arts Lottery Council — announced that applications for grants are available in the Board of Selectmen's Office at Town Hall. The grants are to support in full or part local arts, humanities, and/or science performances, programs and projects.

There are also funds available for the Performing Arts Students Series (PASS). PASS grants are specifically awarded to enable students to attend a live stage performance. All applications should be returned to the Selectmen's office by October 15, 1993. Applicants will be informed of the status of their application by the Mattapoisett Cultural Council no later than November 1.

Mattapoisett and Old Rochester Book Reprint

The Mattapoisett Historical Society is about to order a limited quantity of twenty (20) copies of the history of our area entitled *Mattapoisett and Old Rochester*, written by Mary Leonard. These books will be ordered from the Higginson Book Company of Salem, MA, reproducers of town histories and genealogies.

The price per copy will range between $35 and $40. We know that there are people in the area who are anxious to have a copy of this book. If you are one of these, please contact Bill Matthews (758-2170) or Ruth Jenney (758-3706) to indicate your desire to reserve one of these copies.

Mattapoisett Historical Society Annual Meeting

The Annual Meeting of the Mattapoisett Historical Society, Inc. will be held on Sunday, September 26 at 3:00 pm at the Museum and Carriage House, 5 Church Street. All members are urged to attend.

Following the regular business meeting, we will be entertained by the group "Folk Spirit" of Cape Cod. This group of singers will be performing authentic folk music including ballads, sea chanties, work songs, etc.

Refreshments will be served following the program allowing those attending to view the museum and chat with the members of "Folk Spirit."

Marion Town Clerk

Marion Town Clerk Debra M. Blanchette would like to remind dog owners that their pets must be licensed for the fiscal year beginning July 1, 1993. The cost is $7 for a spayed or neutered dog and $10 for all others, male or female. It is necessary to provide proof of rabies vaccination at the time of obtaining a license. If the dog was licensed last year and the vaccination is still valid, it is not necessary to provide it again. All dogs three months of age or older must be licensed.

The Friends of the Elderly — Mattapoisett

Craft Workshops

Craft workshops sponsored by the Friends of the Elderly will continue to be held at Village Court on the second and third Tuesday of every month from 1:30 to 3:00 pm. Small gift items will be made for the Council on Aging volunteers to bring to area nursing homes. Supervised clients from the day care center are invited to attend.

Volunteers to assist in conducting these workshops are needed and welcomed. If interested, please call Ginny at 758-9722.

Games

Bingo has resumed at the Village Court Recreation Room for our town seniors. They will meet every Wednesday from 1:30 to 3:00 pm. Light refreshments will be served. The town bus will provide transportation if needed. Call Diane at 758-4110 for transportation arrangements. Come make new friends and enjoy the fun!

Volunteers are also needed for the visually impaired. Choose any date. If you would like to volunteer, please call Ginny at 758-9722.

Suncatchers/Tree Ornaments

Remember that in addition to the Seahorse, the Friends are selling two new ornaments/suncatchers designed by George C. Avila. One is the Center School and the other is the Ned's Point Lighthouse. Both are available at the Mattapoisett and Seaport Pharmacies. Ginny Lubker also has a supply of them at her house and can be reached at 758-9722 or Lorraine at 758-9780.

SHARE Distribution Day

The next SHARE Distribution Day will be held on September 25 at the Old Hammondtown School between 12:00 noon and 1:00 pm. You can also register for next month at that time. Everyone is eligible. All that is needed is $13.50 and approximately two hours of community service work (just shopping for a sick friend is sufficient). For that you get approximately $35 worth of meats, fresh fruit and vegetables.

Notice to ORR Parents

Under the new Education Reform law, each school will have a School Improvement Council. The responsibilities of the Council will be to assist the Principal in adopting educational goals for the school, identifying the educational needs of students, reviewing the school building's annual budget, and formulating a school improvement plan.

On October 4, SCORR, the parent organization at ORR High School, will elect three parent representatives. Any parent who is interested in being nominated to the Council should send his or her name to SCORR in care of James Egan at ORR High School, 135 Marion Road, Mattapoisett, MA 02739. SCORR requests a brief statement of interest from each parent who wishes to be elected to the high school council.

St. Gabriel's Church — Marion

On Sunday, September 26, Holy Communion will be celebrated at 8:00 am in the chapel and Morning Prayer with Holy Communion at 10:00 am in the church. Church School classes will begin this Sunday with a new system whereby the school groups will begin earlier and will rejoin the congregation for the latter part of the service each Sunday.

Confirmation classes for junior high students anticipating the April visit by the Bishop will start this week during Church School time. Participation in these classes is a requirement for young people hoping to be confirmed. Adults interested in confirmation should contact the office to arrange a preliminary planning session.

During the week the Prayer Group will hold a retreat from 9:00 am to 3:00 pm at Briarwood on Wednesday, September 29. That same day the Women of St. Gabriel's will have a pot-luck kick-off supper at Jane Babbitt's from 7:00 to 9:00 pm.

Holy Communion will be celebrated at both services on Sunday, October 3. Between the 8:00 and 10:00 am times a series of Adult Forums will start. The first topic, covered in four sessions, will address the issues of human sexuality. The first session will be an introductory overview.

Services on October 10 will be Holy Communion at 8:00 am and Morning Prayer at 10:00 am. There will be a Children's Chapel and the Adult Forum will continue with discussions on masculinity and femininity.

Marion Cancer Support Group

"Strength for Tomorrow," a cancer support group in Marion, meets the second and fourth Tuesday of each month at the Marion Community Center. Dr. Davis T. Gallison, president of the group, will be on hand to welcome and assist cancer patients, family members and friends.

For further information, please call 748-1611.

Wareham Garden Club Meetings

The Wareham Garden Club kicked off the 1993-1994 season on September 9 with an enthusiastic audience of members and guests during a presentation by Horticulturist Paul Parent. The next Executive Board meeting will be held on October 7 in the Wareham Free Library Conference Room at 10:00 am. Hostesses will be Diane Blondin and Edie White. The next regular meeting of the club will be at 12:30 pm on October 14 in the First Congregational Church Fellowship Hall in Wareham. For further information on club events, please call Edith White at 748-2979.

Dealer Space Available for "Oktoberfest"

On Sunday and Monday, October 10 and 11, the St. Mary's Women's Guild of New Bedford will sponsor an Oktoberfest which will feature craft and specialty dealer booths. If you are interested in acquiring space at the event, please call the St. Mary's Rectory at 995-3593 any weekday morning for information and applications.

UMass Dartmouth Concert Band Looking for Members

The UMass Dartmouth Concert Band is now accepting and looking for new members for the fall semester in all instrumental categories. The band is open to all members of the greater community, including high school students. There is no audition required, only the wish to play challenging music.

Gene Crisafulli, director of the UMass Dartmouth Concert Band, said all instrumentalists are welcome, but the band is particularly looking for clarinets, trombones, and French horns. Rehearsals are on Wednesday from 4:00 to 6:00 pm in room 104 of the Visual and Performing Arts Building. For further information, please call the UMass Dartmouth Music Department at 999-8568.

UMass Music Guild to Hold Piano Recital

On Thursday, September 30 at 12:30 pm, Igor Tkachenko will give a piano recital entitled "The Art of Improvisation." Mr. Tkachenko, born in Odessa (USSR), emigrated to the United States in 1977 and was accepted as the youngest student ever to the Mannes College of Music in New York. Tkachenko has been interested in piano improvisation since

early childhood and his concerns cross the boundaries between classical, folk and jazz traditions.

This recital will be held in Room 153 of the College of Visual and Performing Arts and is FREE and open to the public. Please park in lots 8 and 9. For further information, please call 999-8546.

Whaling City Jazz Festival

The New Bedford Committee for Music (NBCM) is hosting a kickoff event for the Whaling City Jazz Festival on Sunday, October 10. Three groups of musicians will perform from 6:00 pm to 1:00 am at the United Fisherman's Club at 369 Orchard Street in New Bedford. The NBCM will expand the program to a two day event at several venues each subsequent Columbus Day weekend starting in 1994.

The performers for the 1993 Whaling City Jazz Festival are Rebecca Parris, the John Allmark Big Band and Stan Strickland and Ascension. Plans for 1994 include more diversity in the music and a concurrent visual art competition.

The New Bedford Committee for Music is a three-year group of music supporters whose primary mission is promoting jazz and gospel music through programs designed for the education, enrichment and enjoyment of the general public. Additionally, the committee works to aid students who are pursuing a career in the arts.

Tickets for the event will be available at the YWCA and other locations around greater New Bedford, or you can call 991-4849 for further ticket information.

"Z" Opens Season with "Man of La Mancha"

The Zeiterion Theater's 12th Season opens with the Tony-award winning musical "Man of La Mancha" on Sunday, September 26 with two shows at 2:00 and 7:00 pm. This blockbuster national touring production sponsored by the Acushnet Company is the story of Don Quixote and his quest for "The Impossible Dream."

"Man of La Mancha" is inspired by the life and works of Miquel de Cervantes who told this story to his fellow prisoners during the Spanish Inquisition. The story is about Don Quixote, and his faithful servant, Sancho, and the serving wench, Aldonza, whom Don worships as the virginal Dulcinea and for whom he does battle to be worthy of knighthood. Though she scorns him for his foolishness, Aldonza is eventually won over — as the Don lays dying — to believing his dream.

LEGAL NOTICES

MORTGAGEE'S SALE OF REAL ESTATE
143 Fairhaven Road
Mattapoisett, Massachusetts

By virtue and in execution of the POWER OF SALE contained in a certain mortgage given by Roland E. Blouin, Jr. of Fairhaven, Bristol County, Commonwealth of Massachusetts, to National Bank of Fairhaven, a national banking corporation duly organized under the laws of the United States of America, and having its usual place of business in Fairhaven, in the County of Bristol and Commonwealth of Massachusetts, dated April 2, 1990, and recorded with Plymouth County Registry of Deeds in Book 9683, Page 126, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing, the same will be sold at Public Auction at 11:00 o'clock a.m. on Friday, the 15th day of October, 1993, on the premises, all and singular the premises described in said mortgage to wit:

"The land with the buildings thereon in Mattapoisett, Plymouth County, Commonwealth of Massachusetts, bounded and described as follows:

PARCEL ONE - LAND IN MATTAPOISETT

BEGINNING at the southeast corner of the land herein described at a point formed by the intersection of the northerly line of Fairhaven Road with the westerly line of Pierce Street;
thence WESTERLY in line of said Fairhaven Road, fifty and 66/100 (50.66) feet to Lot #30 as shown on plan of land hereinafter mentioned;
thence NORTHERLY in line of last-named lot, one hundred six and 03/100 (106.03) feet to a point for a corner;
thence WESTERLY still in line of last-named lot, fifty (50) feet to lot #20 as shown on said plan;
thence NORTHERLY in line of last-named lot, fifty (50) feet to Lot #23 as shown on said plan;
thence EASTERLY in line of last-named lot, one hundred (100) feet to the said line of Pierce Street; and
thence SOUTHERLY in line of said Pierce Street, one hundred forty-seven and 90/100 (147.90) feet to the said line of Fairhaven Road and the point of beginning.

BEING shown as Lots #24, #25, and #31 on "Plan of Oakdale Villa, Mattapoisett, Mass.", made by Frank Metcalf, C. E., dated November 30, 1917, and filed in Plymouth County Registry of Deeds in Plan Book 2, Page 873.

PARCEL TWO - LAND IN MATTAPOISETT

BEGINNING at the southwest corner of the land herein described at a point formed by the intersection of the easterly line of Pierce Street with the northerly line of Fairhaven Road;
thence NORTHERLY in line of said Pierce Street, one hundred sixty-six and 39/100 (166.39) feet to Lot #44 as shown on plan of land hereinafter mentioned;
thence EASTERLY in line of last-named lot, one hundred (100) feet to land of parties unknown;
thence SOUTHERLY in line of last-named land, one hundred fifty (150) feet to the said northerly line of Fairhaven Road; and
thence WESTERLY in line of said Fairhaven Road, one hundred one and 32/100 (101.32) feet to the said line of Pierce Street and the point of beginning.

BEING shown as Lots #45, #46, #47 and #48 on "Plan of Oakdale Villa, Mattapoisett, Mass.", made by Frank Metcalf, C. E., dated November 30, 1917, and filed in Plymouth County Registry of Deeds in Plan Book 2, Page 873.

EXCEPTING from the above parcels, the land taken for the layout of Route #6 as set forth in an instrument recorded in said Registry of Deeds in Book 1472, Page 540.

PARCELS ONE AND TWO, BEING the same premises conveyed to Roland E. Blouin, Jr. by deed of Manuel Souza, Jr., also known as Manuel E. Souza, Jr., and Karen Souza, Trustees of JKM Realty Trust, dated October 14, 1983, and recorded in Plymouth County Registry of Deeds in Book 5515, Page 13"

Terms of Sale

Ten Thousand ($10,000.00) Dollars in cash or certified or bank cashiers check; Balance in thirty (30) days upon delivery of deed. Said sale shall be subject to all taxes, tax liens, municipal betterments and assessments, if any.

The successful purchaser shall be responsible for payment of the Massachusetts Documentary Tax Stamp Fee upon delivery of the deed.

Other terms to be announced at the sale.

NATIONAL BANK OF FAIRHAVEN

LEGAL NOTICES

"Man of La Mancha," one of America's best-loved musicals, is perhaps best known for the song "The Quest," more commonly called "To Dream the Impossible Dream," which has become an anthem for those striving to rise above the obstacles of daily life to reach one's goals. The show also includes the beautiful songs "Dulcinea," "I Really Like Him," "Little Bird, Little Bird," and "To Each His Dulcinea."

"Man of La Mancha" is only the beginning of the Z's 12th season — a season filled with a kaleidoscope of 40 shows including Broadway musicals to theatrical productions, jazz to big band, country to classical music, dance to comedy and a host of children's theater.

Some of the season's highlights include:

• Friday, October 1 at 8:00 pm — Yefim Bronfman, a "pianist of the highest rank" will perform the works of Brahms, Prokofiev, Scarlatti and Schumann.

• Wednesday, October 6 at 8:00 pm — Ghost Stories, adapted by Robert Pridham from stories by Stephen King. A collection of six haunting dramas, set in a creaky house with fog and ghoulish spirits, from New England's best-selling writer.

• Friday, October 22 at 8:00 pm — George Orwell's 1984, one of the most important novels of the 20th century is presented in a bold premiere production by the National Players.

• Monday, November 1 at 8:00 pm — Die Fledermaus, Johann Strauss' light-hearted spoof of Viennese society is presented by the Western Opera Theater of San Francisco.

Tickets are now on sale for all shows in the Z's 1993-1994 season. Tickets for "Man of La Mancha" are $21.50, $25.50 and $29.50. Senior/student discount is $3. Group rates are available. Individual tickets are available at the Zeiterion Box Office. To charge tickets over the phone, call TicketMaster at 1-931-2000, or for further information please call 994-2900.

Lloyd Center — Dartmouth

Assonet River Canoe Trip

Canoe the small streams that feed the Assonet River with naturalists from the Lloyd Center for Environmental Studies on Saturday, September 25. The Assonet River lies north of Fall River. Its tributaries wind their way through cedar swamps and fresh and saltwater marshes, providing access to the virtual wilderness that lies within the city's backyard.

The trip, which starts at 9:00 am and should be completed by 4:00 pm, will begin with a review of paddling skills and canoe safety. Participants should bring their own lunches and plenty of liquid refreshments.

The cost for the trip is $18 for Lloyd Center members, $22 for non-members. There is an additional charge of $5 per person for canoe rental, but participants are welcome to supply their own canoes. To register for the trip and receive directions to the meeting place, please contact the Lloyd Center at 990-0505.

Birding for Beginning Workshop

Join the Lloyd Center on September 29 and October 2 for a very informative and educational workshop for beginning birders. Have you ever seen a bird and wondered what species it was? Through the help of leader Fred Thurber, participants will learn how to classify birds using the Peterson Field Guide system on the first night. The second day will be spent in the field and learning how birds are banded. All participants will receive a Peterson First Field Guide . The non-competitive course is ideal for people wanting to learn more about birds and novices who want to improve their identification abilities. This program is scheduled to take place on Thursday, September 29 from 6:30 to 9:30 pm and on Saturday, October 2 from 9:00 am to 12:00 noon.

The fee for this program is $12 for members and $15 for non-members. Please pre-register for this event by contacting the Lloyd Center at 990-0505.

Shell Walk

Join the Lloyd Center on October 3 for a Shell Walk with resident shell expert Dennis Vieira. Walk along the beaches and learn what shells you may expect to find along the shores of southeastern New England. Fall is an ideal time to search for shells

Lloyd Center Receives Grant

The Lloyd Center for Environmental Studies recently received a grant for General Operating Support from the Institute of Marine Services. Over 1442 museums applied for grants totalling $20,103,000. Of those applicants, 300 were awarded General Operating Support grants, the Lloyd Center being one of them. The Lloyd Center was awarded $51,761 for the next two years.

General Operating Support grants were awarded to museums that have demonstrated excellence in all areas of museum operations. To apply, each institution must perform a complete self-evaluation involving every aspect of their operation from collections care and maintenance to educational programs and exhibits. Funding for these grants was available to support 20 percent of the applicants. Grants are equal to 15 percent of the museums' operating budget to a maximum of $112,500.

Girl Scouts to Hold Recruitment Rallies

While the Plymouth Bay Girl Scout Council is recruiting girls for the 1993-1994 troop year, now is the best time to get involved in Girl Scouting. As budgets are slashed and community and after school opportunities diminish, Girl Scouting continues to thrive, grow and present newer and better experiences for girls ages 5 to 17.

At Plymouth Bay, your girl is our sole reason for existence, and all the program opportunities we provide are designed to meet girls' needs and help them develop to their full potential.

In addition to regular troop activities, many council-sponsored programs are planned for the year, including aerobics, swimming and basketball programs, all-night skating parties, a trip to historic Newport, and camp-ins at the Boston Museum of Science and the Children's Museum.

The membership fee is $6 for the entire year and registered Girl Scouts are eligible for all the benefits of Girl Scouting including special reduced rates for summer camp and other program activities. For more information about Girl Scouting, call 1-800-242-0925.

Literacy Volunteers Training

A new training series for Literacy Volunteers will begin at 9:15 on October 7 at the Millicent Library in Fairhaven. To sign up, please call Pamela Humphrey at 997-4511, ext. 3372 (mornings). For

Is Your Mooring Adequate?
Consider Using a
HELICAL SCREW MOORING

Benefits:
- Incredible holding power (at least 10 times stronger than a 500 lb. mushroom mooring)
- Predictable and reliable holding power
- Requires very little scope
- Eliminates chain tangling
- Will last up to 30 years
- Costs less than conventional mooring systems.

Discounts Available for Multiple Installations

1987 Toyota SR5 Xtra Cab - 4 wheel drive, power windows and door locks, tilt, cruise, AM/FM cassette, low miles. Only $7,495

1990 Nissan Pick-up
5 Speed , Runs Like New Only $4,995

SOLGAR

Since 1947

EARTH SOURCE

MULTI-NUTRIENT

PROVIDING WHOLE FOOD CONCENTRATES - NATURE'S ENERGY

Vitamin A (Beta Carotene) - an antioxidant nutrient which naturally occurs in spirulina and chlorella.

Vitamin C (calcium ascorbate with rose hips) - buffered as calcium ascorbate; a pH neutral, non-acidic form of vitamin C, an antioxidant nutrient. Calcium ascorbate is gentler on the stomach than non-buffered vitamin C. Rose Hips is one of nature's richest sources of vitamin C.

Vitamin E (natural mixed tocopherols) - an antioxidant nutrient. Natural vitamin E is 50% more biologically active than synthetic vitamin E. Mixed tocopherols are found together with vitamin E in nature and may possess as yet undiscovered healthful benefits.

B-Complex - as B vitamins and naturally occurring B vitamins in spirulina, chlorella, wheat grass juice, sprouted barley juice and bee pollen. Megasorb formula includes B vitamin coenzymes for maximum absorption and utilization. B Complex vitamins are essential for releasing energy stored in food.

Earth Source Mineral Chelate Complex - specially formulated for optimal absorption and bioavailability of the minerals. Includes amino acid chelates (from whole rice protein), citrates, picolinates, aspartates, carbonates and oxides.

Iron Bisglycinate Chelate - a highly assimilable form of iron that is less likely to be constipating and is gentler to the stomach than other iron forms. Iron deficiency causes anemia resulting in fatigue and suppressed immune function.

Chromium Picolinate - yeast free source of GTF (Glucose Tolerance Factor) that potentiates the effectiveness of insulin and stimulates the burning of blood sugar inside the cell for energy.

Boron, Silica - trace minerals which are often missing from other multivitamin formulas. Boron and silica are not missing from nature's energy sources, however; fruits, vegetables, seeds and nuts provide both minerals.

Bioflavonoids - found together with vitamin C in nature, especially in plants; citrus fruits, buckwheat, peppers, black currant are excellent sources.

Bromelain, Betaine HCl; Amylase; Lipase; Cellulase - digestive enzymes derived from vegetarian sources which help breakdown protein, carbohydrates, fats and fiber, respectively, to assist in the release of energy stored within foods.

L. Acidophilus, B. Bifidus, L. Bulgaricus - nature ensures that our digestive systems remain healthy through the presence of beneficial microorganisms. Food such as yogurt provides additional microorganisms but a poor diet and other bad lifestyle habits can deplete the body of these health-promoting factors.

RNA/DNA - nucleic acids that act as the chemical messengers of all genetic material.

Carotenoids - beta carotene is one member of a family of natural compounds called carotenoids. Scientists suspect that carotenoids other than beta carotene may act as antioxidants and have a role in promoting health. Some of the better known carotenoids are: alpha-carotene, xanthophyll, cryptoxanthin and echinenone.

Chlorophyll - the green pigment that is found in plants and is used to manufacture nutrients from light and carbon dioxide (photosynthesis). The molecular structure of chlorophyll closely resembles hemoglobin, the oxygen carrying pigment in the blood. Clorophyll contains magnesium whereas hemoglobin contains an iron core.

Borage and Sunflower Oils - natural cold-pressed vegetable oils which provide a rich source of the essential fatty acids (EFA's); linoleic acid, linolenic acid and gamma-linolenic acid. EFA's are a major source of energy in the diet and promote healthy and smooth skin.

Spirulina - a blue-green algae which provides a rich source of high quality protein; organically complexed minerals and trace elements; vitamins including beta carotene, pantothenic acid, folic acid, B-12, and vitamin E; cell salts; chlorophyll; plant pigments and enzymes.

Wheat Grass Juice - a green food rich in many nutrients including vitamins, minerals, trace elements, chlorophyll and natural plant antioxidant enzymes.

Sprouted Barley Juice - the young, sprouted vegetation of barley is one of nature's richest sources of natural vitamins, minerals, trace elements, enzymes, pigments and cell salts.

Flaxseed Oil (linseed oil) - a cold pressed oil that is nature's richest source of the omega-3 polyunsaturate, alpha-linoleic acid.

Chlorella - a green food rich in many nutrients including beta carotene, RNA/DNA, protein, vitamin B-12, and chlorophyll. The cell wall of the chlorella is broken to render its nutrients more readily available for absorption and utilization.

Bee Pollen - pollen is the male reproductive agent of flowering plants which is carried by the female worker bee to fertilize other plants. It is one of nature's most perfect foods, containing 19 amino acids including all 8 essential; B-Complex vitamins, especially B-12 and pantothenic acid; vitamin C; minerals, trace elements and other nutritional factors. Bee pollen is popular with athletes who believe in its effects of increasing stamina and endurance.

Ginseng (Siberian) - classified by herbalists as an adaptogen, a natural substance which helps the body adapt to physical and environmental stress. Russian athletes attest to ginseng's energy-producing effects.

Garlic - the use of garlic to prevent disease and promote well-being dates back at least 4000 years. Garlic is a natural source of sulfur-containing compounds such as allicin and methionine, and the trace mineral selenium.

Full Potency® Herbs - Solgar's unique combination of traditional herbal extracts plus raw herbs, formulated by a master herbalist from ancient Chinese recipes. A specially chosen synergistic herbal blend accentuates the natural healthful benefits of the Earth Source formula.

Tissue Salts (Cell Salts), Plant Enzymes and Pigments - living plants serve as the basic source of nutrients of the human diet. Scientific research continues to discover important roles for many of the natural components of plants in promoting human health. Plants contain organically complexed minerals in the form of cell salts throughout their infrastructure. Enzymes serve as vital catalysts of all metabolic processes in living matter. Chlorophyll and other plant pigments may enhance health and well-being through biochemical means.
